Re : Notification Letter

Dear Author (s)

On behalf of the joint seminar of ISIMMED-ISSE 2021 Committee, we would like to convey our gratitude for sharing your knowledge with us in ISIMMED-ISSE 2021 with the theme “*Technological Pedagogical Content Knowledge (TPACK) In the Current STEM Education*” which was held on November 19-20, 2021 with online platform. We would also like to thank you for submitting your revised full paper through the online registration system. Due to the large number of articles that have to be reviewed by reviewers, we have decided to **extend the deadline for review papers until January 7, 2022**. The full schedule is as follows.

No.	Schedule	Important Date
1.	Full paper submission deadline (according to review Stage 1 from Reviewer and as noted at the seminar)	December 5, 2021.
2.	Review stage 2	December 8, 2021- January 7, 2022
3.	Full paper review by Editor	December 8, 2021- January 7, 2022
4.	Announcement of revised full paper acceptance	January 8, 2022
5.	Full paper revision 2	January 8-15, 2022
6.	Check revised full paper 2	January 16-29, 2022
7.	Camera ready file submission deadline	January 30, 2022

Thank you for participating in the joint seminar of ISIMMED-ISSE 2021.
