

The 9th ISSEE 2024

International Seminar in Sciences, Environment, and Education

Enhancing Quality of Science and Environmental Research through International Collaboration

Scope

- Ecology, Biodiversity, and Ways of its Conservation
- Environment and Human Ecology
- Environmental Education and Sustainability
- Applied Science (Biology, Chemistry, and Physics) for Sustainability
- Science Education for Sustainable Development

Keynote Speakers

Dr. Nur Hidayah Binti Ahmad

Universiti Teknologi Malaysia
Malaysia
Physics for Green Energy

Prof. Ahmad Qablan

United Arab Emirates University
United Arab Emirates
Education for Sustainable Development

Magdi A. El-Sayed, Ph.D

Galala University
Egypt
Environmental Microbiology

Dr. Chatree Faikhamta

Kasetsart University
Thailand
STEM in Education for Sustainable Development

Prof. Dr. Ariswan, M. Si.

Universitas Negeri Yogyakarta
Indonesia
Material Physics for Alternative Technology

Publication

1. IOP: Earth and Environmental Science (Scopus)
2. Jurnal Inovasi Pendidikan IPA (Sinta 2)
3. Journal of Science Education Research (sinta 3)
4. Jurnal Sains Dasar (sinta 3)
5. Indonesian Journal of Chemistry and Environment (sinta 4)

Registration

Please visit our website for registration

www.isse.uny.ac.id

Registration Fee

Type of Participants		Early Bird	Regular
Presenter (Author)	Indonesia	IDR 1,250,000	IDR 1,500,000
	Overseas	USD 80	USD 100
Presenter (Co-Author)	Indonesia	IDR 1,000,000	IDR 1,250,000
	Overseas	USD 60	USD 80
Non-Presenter	Indonesia	IDR 800,000	IDR 1,000,000
	Overseas	USD 50	USD 60
Additional Paper	Indonesia	IDR 300,000	
	Overseas	USD 30	

*Publication fees for Scopus proceedings will be informed later.

Timeline

The conference will be held blended

Offline at FMIPA UNY

Online via Zoom
